WINE MENU

## W e l c o m e t o J o h n n y ' s B a r a n d P a r l o u r . . .

James Dean, called everyone "Johnny" as he couldn't remember anyone's name and so did the grandfather of The Madhatters.

"Toad" was his name, a title he wore.  
In the heat of their kitchen, Jemima and her Grandfather would laugh and debate over whose version of the recipe was better.

Grandfather killed the Aubergine Parmesan but Jemima nailed the Pil-Pil.

"Toad" may have forgotten half of their names. But in the kitchen he played no games.

Sadly he is not here to witness her dream becoming a reality.  
However, in every dish and every bite, his spirit lives on.

"Toadette" he called Jemima, and how proud of her he would be, to see her flavours shine, with a little help from "Toad" whose spirit infuses every recipe.
